Tai and Sora had gotten separated from the group by some evil digimon named Kounamon. It was always something, either some evil digimon chasing them, or batteling for their lives.

Tai and Sora stopped to rest after running for a long time. They were out of breath. Tai didn`t care, this was his moment with Sora. He loved her, that was obvious, but he didn`t know how to tell her. He watched her as she paced around inside a cave they took refuge in. She was beautiful, and they did have the same interests, especially in Soccer.

"Oh Tai, what are we gonna do?" She walked over to Tai and sat down. "I don`t know Sora, this evil digimon doesn`t want to leave us alone."

Tai looked at Sora, "What?" Sora asked

"Oh nothing!" Tai looked away blushing. He was going to have to tell

her sometime soon, he knew she probally didn`t like him in that way, but he had to tell her, he had too!

"Okay!" Sora said, "Whatever!" She walked away blushing as much as Tai.

Tai followed her, this wasn`t a time to go off by yourself. He ran after her and caught up. "Oh Tai!" she said, she didn`t expect him to follow. "We have to stay together!" Tai nudged Sora.

They sat down for a minute until Sora got up to get some food. So far they haven`t seen that evil digimonâ€¦ yet!

Tai heared a buzzing from the sky. He looked up and saw the one and only Kounamon. He started running to Sora, they were un-protected without their dgimon.

"Blade smac!" Yelled the evil digimon.

Tai looked to where the attack was aimed for, it was aiming for SORA!

He ran as fast as he could. He reached Sora just in time. He dove in front of her and took the full hit.

Sora blinked, what? What had he done. When all the smoke cleared, she saw Tai fall limply to the ground! "NNNNNOOOOOOOOO!" Sora screamed, she went over to Tai. He was soot covered from head to toe, and he was bleeding badly in several places. "Oh Tai!" Sora whipered, Why did he do that for me, why did he save me? Tai blinked a couple of times, and opened up his eyes. Tears welled up in his eyes and cold tears fell to Sora`a knee. "Iâ€¦â€¦ I love you Sora!" Tai whispered Sora was shocked, but she answered clearly, "I love you too Tai!" Tears were now welling up in her eyes. Sora kissed Tai gently as he drifted out of concious. She looked up at Kounamon, "I HATE YOU!" She screamed, "You`ll pay!" *** That was part 1, there will be more, don`t worry!
